Capturas

Validación del RSS 2.0:

Visualización en el Feddly del RSS 2.0:

Validación del ATOM:

The screenshot shows the W3C Feed Validation Service interface. The URL bar displays the validation URL: `https://validator.w3.org/feed/check.cgi?url=https%3A%2F%2Felin-dam.github.io%2FSindicacion%2Frs%2Ffeed.atom`. The page header includes the W3C logo and the text "Feed Validation Service" and "Check the syntax of Atom or RSS feeds". A "Check" button is visible next to the URL input field. Below the header, a green "Congratulations!" message is displayed, followed by a "Valid Atom 1.0" badge and the text "This is a valid Atom 1.0 feed." Instructions for creating a banner and a text link are provided, along with a code snippet for the banner and the URL for the text link: `https://validator.w3.org/feed/check.cgi?url=https%3A%2F%2Felin-dam.github.io%2FSindicacion%2Frs%2Ffeed.atom`. The footer includes links for "Home", "About...", "News", and "Docs", and a note about the service being maintained by the W3C team.

Visualización en el Feddly del ATOM:

The screenshot shows the Feddly web application interface. The URL bar displays the feed URL: `https://feedly.com/collection/content/user/2f715495-2960-4428-ab72-dd09b31d2d81/category/921172c8-bd28-4a82-bfde-94e73c18a98f`. The page header includes the "UPGRADE" button and the title "test". The left sidebar shows the "FEEDS" section with a list of feeds: "All" (22), "test" (3), "Ejercicio de Sindicación At..." (3), "Videojuegos" (10), and "Eurogamer.es" (10). The "BOARDS" section is also visible. The main content area displays the feed items under the heading "TODAY". The first article is "Disney+ se estrena en españa" by "Ejercicio de Sindicación Atom / now". The second article is "Otra página de prueba" by "Ejercicio de Sindicación Atom / now". The third article is "El tiempo en Santa Cruz de Tenerife" by "Ejercicio de Sindicación Atom / 5min". The bottom of the feed shows "END OF FEED" and a "MARK ALL AS READ" button.
